

# JESUS IS TAKEN DOWN FROM THE CROSS

*The journey with Christ is nearly over.*

*And here his body is taken down from the cross,  
held by his mother, mourned by his friends.*

*This Station is over to you...*

*What would you write here?*

*Each of the past twelve reflections has been quite different in approach and style,  
each equally valid, each personal.*

*What is your response here?*

*If you have pen and paper to hand, write it down.*

*Is there a station which particularly moves you?*

*If so, please write down your reflection and send it to the office or any of the clergy, and we  
can put together a collection of reflections from around our parish to lead one another  
through this journey with Christ for years to come. Thank You.*
